Player Medical Information Form

Key medical details and emergency contacts in one place.

Keep key medical information and emergency contacts for every player in one place, so you can act quickly and safely if something happens. Store it securely, take it to every match and training, and update it at least once a season.

Player name: _____

Date of birth: _____

Team / Age group: _____

Medical details

Please list anything the coaching team should be aware of:

Medical conditions (e.g. asthma, epilepsy, diabetes): _____

Allergies: _____

Regular medication: _____

Doctor / GP name & number: _____

NHS / health number (optional): _____

Emergency contacts

Contact 1 - name, relationship & number: _____

Contact 2 - name, relationship & number: _____

Keep it current & confidential

Medical information is sensitive - store it securely and share it only with those who need it. Check it with parents at the start of each season and whenever circumstances change.
