Substitution Tracker

Log every substitution with the time and reason.

Keep your rotations fair and organised with a simple substitution log. Record the minute, who comes off and on, and a quick reason. Over a season this also helps you check everyone is getting enough game time.

Min	Player off	Player on	Reason
32	A. Smith	J. Brown	Rotation / rest

Fair game time

At youth level, game time matters more than the result. A tracker makes it easy to see who has played less and put that right in the next game.
