Team Code of Conduct

*Shared expectations for players, coaches and parents.*

A shared code of conduct sets clear expectations and keeps football safe, fair and fun for everyone. Agree it with your players and parents at the start of the season, display it, and refer back to it when needed. Consider having players and parents sign to show they accept it.

## Players will

- Give their best effort in training and matches, and enjoy their football.
- Respect team-mates, opponents, coaches and match officials at all times.
- Play fair, follow the laws of the game and accept the referee's decisions.
- Shake hands after every game, win or lose.
- Listen, support each other, and never bully or exclude anyone.

## Coaches will

- Put the players' safety, enjoyment and development first.
- Set a positive example in language and behaviour.
- Give every player fair game time and treat everyone with respect.
- Keep to safeguarding and first-aid good practice at all times.

## Parents & supporters will

- Encourage and support all the players - never criticise from the sideline.
- Leave the coaching to the coach and respect the match officials.
- Be positive role models and support the club's values.
- Make sure their child arrives on time, prepared and ready to enjoy it.
